Subject: Deficient Notice of Intention to Commence Small Mining Operations,  
Decorative Developments, Developments 1 Mine, S0350033, Task 1723,  
Salt Lake County, Utah

Dear Mr. McInnes:

The Division of Oil, Gas and Mining has reviewed the referenced Notice of Intention to Commence Small Mining Operations (NOI) and has the following comments that need to be addressed before the NOI can be found complete:

1. The Division needs to receive the permit fee of \$150.00
2. According to information from the Division of Corporations, Decorative Developments is a member-managed limited liability company, and the only member listed is Ben McInnes. The NOI lists Tracy Burnham as president, Ben McInnes as vice president, and Michelle Burnham as secretary. Please make appropriate changes. If the information in the NOI differs from that provided by the Division of Corporations, you will need to provide documentation that the NOI is correct.
3. Please include a legal description, at least to the quarter quarter section. As close as we can determine, it appears the site is in the SW $\frac{1}{4}$  SW $\frac{1}{4}$  of Section 16 and the SE $\frac{1}{4}$  SE $\frac{1}{4}$  of Section 17, Township 4 South, Range 1 West, but please confirm whether this is correct before including it in the NOI.
4. Please submit a location map at a larger scale, about 1"=2000'. The scale of the location map provided does not allow one to locate the site in relation to nearby public roads or other features except the water treatment plant.

5. Please mark on the operations map the area that would be disturbed by mining. The Division understands that the area marked is two acres and that you intend to mine progressively toward the south-southwest, but it is not clear what the dimensions of the disturbed area will be in each direction.

The reclamation surety for the site is \$10,000.00 which can be submitted in the form of cash (certified funds), a certificate of deposit, a letter of credit, or a corporate surety. Please contact the Division's bonding coordinator, Beth Ericksen, for information about submitting the surety. She can be reached by telephone at 801-538-5318 or by e mail at [bethericksen@utah.gov](mailto:bethericksen@utah.gov).

In reply please reference S0350033. If you have other questions, please call Paul Baker at 801-538-5261. Thank you for your cooperation.

Sincerely,
